GENERAL SALE INFORMATION

TIME AND LOCATION — Saturday, February 18, 1967. Brandon Winter Fair Building, Brandon, Manitoba. This is located in the town area close to hotels.

SHOW: 8:30 a.m. Judge: John Shuman, Byers, Colorado.

SALE HEADQUARTERS — Prince Edward Hotel, Brandon. Make reservations directly to G. Laliberte, Mgr., indicating you are attending the Canadian International Bull Sale.

HEALTH — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various provinces and to cross the U.S. border. Since several states have special requirements all buyers should be aware of their own health regulations, any special requirements, etc. as all sales are final.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Checks are to be handed to the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

INSURANCE — Insurance will be available at the sale.

GUARANTEE — The cattle will be sold under the guarantee which is printed in full elsewhere in the catalog. Where footnotes appear in the catalog they were furnished by consignors or written from information supplied by the consignor.

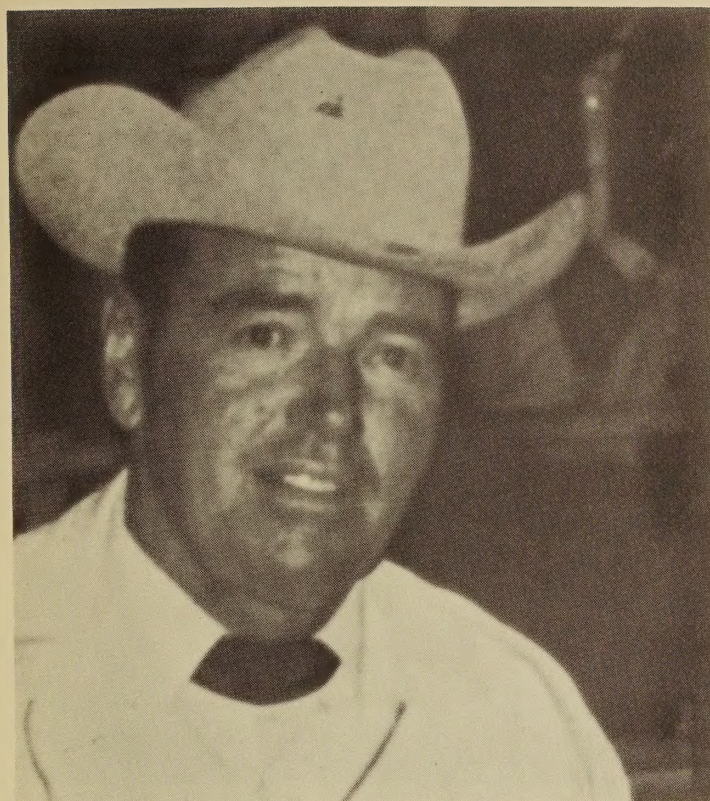

Canadian Shorthorn Sales Inc., sponsors of this event, nor the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the buyer and seller of each lot. Neither the sale manager, nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Canadian Shorthorn Sales Inc. for specific tasks, promotional and clerical and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

Recording in the U.S. Herd Book — The special fee levied by the American Shorthorn Assn. on animals imported from Scotland, their sires, dams, etc., where applicable to cattle purchased in this sale by U.S. buyer will be paid by the consignor. All other cattle will be transferred to the new owner in the Canadian herd book and it will then be the responsibility of the U.S. buyer to pay the additional \$10 fee required to transfer from the Canadian to American herd book.

BY-BIDDING — Any consignor proved to have been "by-bidding" will be barred from all future participation in the Canadian International Bull Sale.

MINIMUM BID — Any bull not receiving the minimum bid of \$400 will be withdrawn from the sale ring.

SALE MANAGER — Harris Simons, 16 S. Locust St., Aurora, Ill., U.S.A.

WELCOME TO THE CANADIAN INTERNATIONAL —

It is a most sincere pleasure to welcome you to the sixth annual Canadian International Bull Sale. The auction is sponsored by Shorthorn Sales, Inc., an organization originally founded to promote a "Perth of North America." To that end we feel that the original goals have been well fulfilled in placing top bulls from representative breeders from United States and Canada. We feel that this sale will be equally successful.

The bulls in the sale are the progeny of the best stock bulls obtainable on this continent and abroad. It is an opportunity for buyers to find assembled in a central place a number of carefully selected bulls from which to choose a stock bull.

The main purpose, however, of this introduction is to thank all those from the various Provinces and States who have helped the sales committee in accommodating, selecting offerings and arranging the many necessary details. Their assistance has gone a long way in making these sales the success they have been.

Also, we wish to thank the Mayor, aldermen, their associates, and the people of Brandon who have been so hospitable and generous in both a material and friendly way.

The crowd gathers early on sale day in order to view the sale show. Above is a portion of the large crowd watching at a previous sale.

FROM THE SALE MANAGER

Now in its sixth year the Canadian International Bull Sale unquestionably holds the premier place among such auctions on the continent. Founded to be the "Perth of North America" the sale is meeting that high requirement. The reasons are simple. Buyers know that this is the place to come for a broad selection of true stock bulls. Nothing is more disappointing than to travel a long distance only to find that there are only one or two bulls for you to consider.

By the same token the sellers annually save their best for the Canadian International because they know their bulls will meet with good demand and sell well as they have for the last five years.

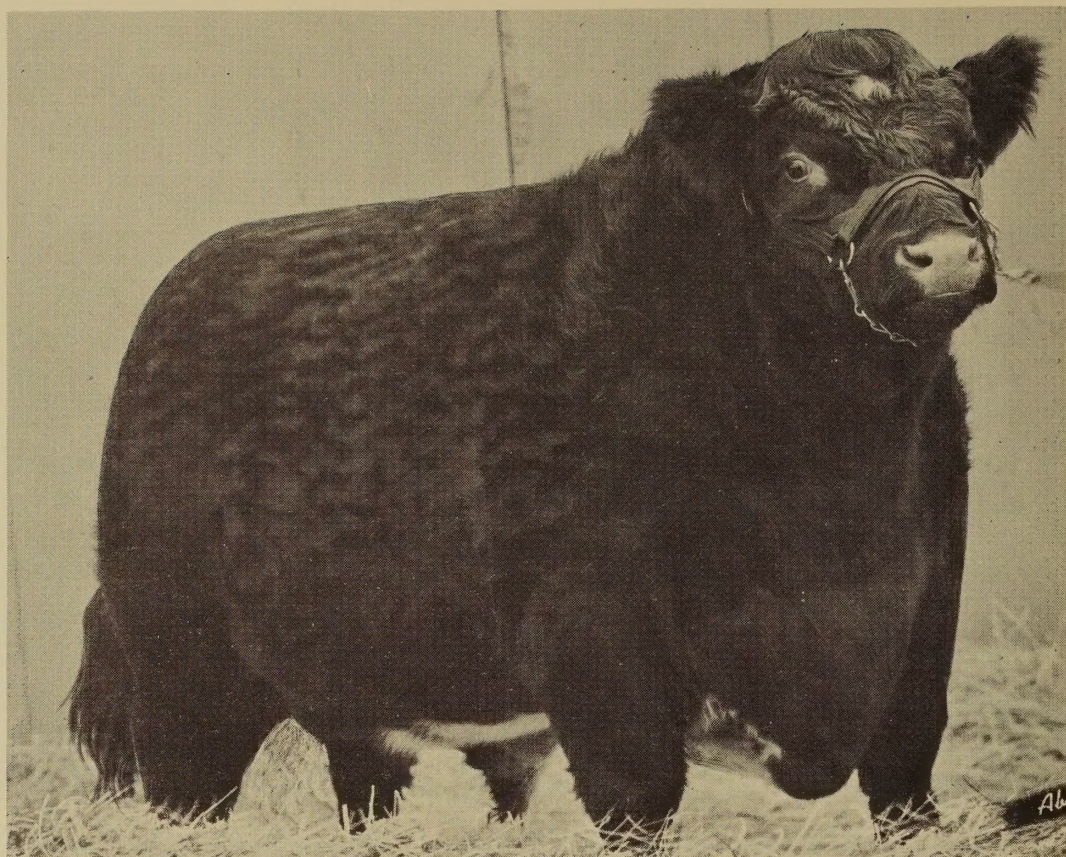

This year more than ever before the emphasis is on bulls that will meet the ever increasing demand for Shorthorns and Polled Shorthorns of size, substance and stamina. Big, thick, good-footed bulls have given the Canadian International its respected name and we are proud to say they are available in abundance this year.

We are pleased to be associated with this truly international event and with the hundreds of men and women who work so diligently to insure its success.

SCOTSDALE WARRIOR—Scotsdale Navarre, supreme champion Royal Winter Fair 1961 is also the sire of Scotsdale Welfare sold to W. W. Donaldson and Allwood Plantation and Scotsdale Waterloo and Scotsdale Trooper to A. R. Cross, Alberta, and Scotsdale Aristocrat to J. Huckfeldt, Nebraska and Scotsdale Vincent, second top bull in the recent Tennessee National sale to George Shaw in Missouri. Another son, Scotsdale Tehran is a stock bull at Scotsdale. Warrior's dam descends from the Millhills Queen family. They have produced show cattle for us. His full sister was reserve grand champion at the Royal Winter Fair 1963. FRALAWN BELLRINGER—A very young bull but a promising one. The sons of
Louada Rothés King are proving themselves to be breeding bulls and all this one
lacks is age.

— GUARANTEE —

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within **six months** of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
4. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
5. Certificates of registry and transfers in the Canadian Shorthorn Assn. will be furnished with each animal sold and all animals are eligible for registry in the American Shorthorn Assn.
6. Shipment will be made as soon as possible after the close of the sale at instructions of purchaser, but at purchaser's risk of loss or injury after animal is purchased.

All animals sold in this sale will be backed by the above Standard Guarantee. All transactions constitute a contract between the buyer and seller of each lot.

Please Note . . . Notices of failure of a bull to be a breeder must be made to the seller within six months of purchase, or by the time the bull has reached 20 months of age, if purchased under 14 months of age.
